

Williamsburg Comprehensive Plan Survey

Introduction

The City of Williamsburg is updating its Comprehensive Plan. The purpose of the plan is to guide decisions in the community over the next 20 years. This survey is an important opportunity for residents and other stakeholders to contribute their thoughts and opinions on a range of topics related to the growth of the community. We are looking forward to the input of all households in the survey. A few minutes of your time will help impact the future of our community.

Williamsburg Comprehensive Plan Survey

Respondent Profile

These questions will help us understand how well the survey responses represent the overall population of the community.

Proximity to needed goods and services	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

44. For Williamsburg, new residential development should be located:

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Sure
As infill within the City of Williamsburg	<input type="radio"/>				
Within or adjacent to existing city land	<input type="radio"/>				
Adjacent to the city but annexed in	<input type="radio"/>				
Away from active farm operations	<input type="radio"/>				
Anywhere there is a suitable site for development	<input type="radio"/>				

Williamsburg Comprehensive Plan Survey

Land Use and Development

45. How do you rate the following aspects of Williamsburg?

	Excellent	Good	Fair	Poor	No Opinion
Access to parks	<input type="radio"/>				
Number of street trees	<input type="radio"/>				
Signage control (size and location of signs)	<input type="radio"/>				
Noise control	<input type="radio"/>				
Lighting control	<input type="radio"/>				
Aesthetic design of new development	<input type="radio"/>				
Property upkeep/cleanliness	<input type="radio"/>				

46. New development to accommodate future residential growth in the region will include a variety of unit types and lot sizes. Please rank the following types of residential development. The development type that you think should be most common among new development in Williamsburg should be ranked FIRST (#1), and the type that you think should be least common among new development in Williamsburg should be ranked LAST (#8).

<input type="checkbox"/>	<input type="text"/>	Multi-unit condos or apartments, 10+ units
<input type="checkbox"/>	<input type="text"/>	Multi-unit condos or apartments, 3-9 units
<input type="checkbox"/>	<input type="text"/>	Duplexes
<input type="checkbox"/>	<input type="text"/>	Single family detached homes on lots between 60 and 90 feet (smaller than 1/4 acre)
<input type="checkbox"/>	<input type="text"/>	Single family detached homes on lots between 90 and 120 feet wide (1/4 acre to 1/2 acre)
<input type="checkbox"/>	<input type="text"/>	Single family detached homes on lots between 1/2 acre and 5 acres
<input type="checkbox"/>	<input type="text"/>	Single family detached homes on lots larger than 5 acres
<input type="checkbox"/>	<input type="text"/>	Mobile homes

47. Please indicate your support for the following options for new residential development in the region.

	Strongly Support	Support	Neutral	Oppose	Strongly Oppose
New rural neighborhoods (not within Williamsburg)	<input type="radio"/>				
New suburban neighborhoods (including uniform residential unit types/sizes)	<input type="radio"/>				
New mixed-use neighborhoods (including a variety of residential unit types/sizes within a 15 minute walk of daily retail needs)	<input type="radio"/>				
Infill development in existing city neighborhoods (redevelopment of older residential areas or vacant lots for higher density development)	<input type="radio"/>				
New Mixed-use buildings (ground floor retail and upper story residential)	<input type="radio"/>				

48. From the following list, what types of new housing and neighborhoods should be developed? (Select all that apply)

- Small lots (under 10,000 sq. ft.)
- Medium lots (10,000 to 15,000 sq. ft.)
- Large lots (over 15,000 sq. ft.)
- A mix of lot sizes
- Only single-family residential
- A mix of single-family and multifamily residential
- A mix of residential and small businesses
- With sidewalks
- With recreational trails and open space
- With parks within walking distance of residents

49. Over the past five years, how much growth do you think Williamsburg has experienced?

- A great deal of growth
- Some growth, but not a lot
- Almost no growth at all
- Not sure

50. How would you direct your city leaders with regard to land use policies and regulations?

- Be LESS restrictive; allow MORE flexibility for where and how land may be used and developed
- Be MORE restrictive; allow LESS flexibility for where and how land may be used and developed
- Current policies are okay
- Not Sure

51. Current land use regulations have done an effective job in minimizing land use conflicts in Williamsburg.

- Strongly agree
- Agree
- Disagree
- Strongly disagree
- Not sure

52. Whenever a development project is proposed, be it new homes, new commercial or manufacturing uses, or mining or energy uses, city leaders must balance competing interests. Please indicate the importance of each of the following to you:

	Very Important	Somewhat Important	Not Important At All
Preserving small town character and scenery	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Attracting industry and potential jobs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Preserving agricultural land and production	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Increased renewable energy production	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Protecting existing residential areas	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

53. From the following list, what type of development would you support and want Williamsburg to focus upon? (Select all that apply)

- Be a full service community where all work, shopping, service, housing, and healthcare needs can be met.
- Focus on becoming a business based community.
- Be a suburban "bedroom" community for the regional area that is primarily a residential community with few industries and limited commercial services.
- Focus some effort on expanding business opportunities along major transportation routes.
- Focus on becoming a destination community with a unique niche.

Williamsburg Comprehensive Plan Survey

Agricultural & Natural Resources

54. Please share your opinion on how important it is to protect each of the following resources in Williamsburg.

	Very Important	Somewhat Important	Not Important	Not Sure
Air quality	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Farmland	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Wildlife habitat	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Forests / woodlands	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Groundwater	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Cultural / historic sites & buildings	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

55. In your opinion, current environmental policies and regulations in Williamsburg adequately protect the following environmental areas from damage or disruption:

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Sure
Surface water (streams, rivers, ponds, lakes)	<input type="radio"/>				
Groundwater	<input type="radio"/>				
Forests & woodlands	<input type="radio"/>				
Highly erodible soils	<input type="radio"/>				
Floodplains	<input type="radio"/>				

56. Initiatives to protect and improve the natural environment sometimes include increased monitoring and regulation efforts. Would you support or oppose the following efforts?

	Support	Oppose	Not Sure
Increased regulations on the use of pesticides and fertilizers near the City	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Increased regulations regarding the development near streams and water bodies	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Closer monitoring of private septic systems	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
More regulations to protect agricultural lands from development	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Better enforcement of existing laws and regulations	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

57. Current park and outdoor recreational facilities around Williamsburg currently meet your needs:

- Strongly Agree
- Agree
- Disagree
- Strongly Disagree
- Not Sure
